

Any broker aiming to cater to clients on a global scale must be regulated in a reputed jurisdiction

## Seychelles Securities Dealer License

A Securities Dealer Licence is basically a broker licence that allows a company to trade in securities either as a principal (on its own account) or as an agent (on behalf of its clients).

## Timeline

## Requirements

- Minimum Initial Capital of \$50,000
- Minimum of 2 shareholders – no local requirement
- Minimum of 2 directors, fit and proper – no local requirement
- Representative Officer, fit and proper – can be one of the Directors
- Compliance and Money Laundering Officer (MLRO) – employed or locally outsourced
- Local Auditor for audited accounts submission
- Professional Indemnity insurance based on financial forecasting
- Local offices

*• Please note that the minimum initial capital will be increased to \$150,000 starting June 2026*

*• That from June 2026, the business must have a Local Director and Senior Officer*
